

FSC Rater RT: Personal Lines Comparative Rating

FSC is the comparative rating solution of choice in thousands of agencies nationwide, providing accurate rates for hundreds of personal lines carriers.

FSC Rater RT is easy to use, featuring powerful automation and data validation features.

- Personal Automobile rates
- ISO and company specific vehicle symbols
- Home rates - including HO3, Renters and Condo
- Accurate Real-Time and Manufactured Rates
- Automatic tiering and underwriting
- Company underwriting questions

Simplified Technology

FSC Rater RT is a web-based solution providing access to your quotes from anywhere, anytime. You can just get your job done with no IT burden for backups and restores – there are no servers or systems to maintain

- No installation needed; login and start rating
- No maintenance required by your or your IT staff
- Data is stored in a secure, fully staffed data center

Seamless Integration

FSC Rater RT incorporates a fully integrated credit scoring solution and integrates with multiple agency management systems and carrier software. You can move through the rating process quickly; confident in the accuracy of the data.

- Integrated Credit scoring and MVRs
- Address verification and Commute Calculation
- VIN lookup
- Agency management system integration
- Import from supported lead generation systems
- Ability to transfer data to carriers for policy issuance

Streamline your processes

Rating is just part of the package. FSC Rater RT has additional features that enable you to increase the productivity of your staff. A complete forms library, quote management and an activity reporting system make the process fast and easy.

- Full library of ACORD forms
- Carrier specific forms
- Activity Reports by user and carrier

Our dedication to designing new and innovative agency tools underscores our commitment to produce accurate and relevant software products backed by superior customer service. At FSC, our primary goal is to maintain and enhance independent agents' success in the market and provide you with products and services that give you a competitive edge.
